Exercise 4: Read the text then choose the best answer for each question.

Community service is unpaid work that benefits people and organizations in the community. It is often done near the area where you live, so your community gets the benefits of your work. You do not get paid to perform community service but get to learn a lot. Community service can help many different groups of people, even animals, and the environment. Community service is often organized through a local group, such as a place of worship, school, or non-profit organization, or you can start your community service projects. Community service can even involve raising funds by donating used goods or selling used goods like clothing.

Many people participate in community service because they enjoy helping others and improving their community.

- What is community service?
 - Benefits of your work
 - Unpaid work that benefits others
 - Profit of selling goods
 - Individual activities
- Where is community service often done?
 - Near the area where you live
 - Near your office
 - In the streets
 - Only in needed areas
- What groups can community service help?
 - Different groups of people
 - Animals
 - The environment
 - All are correct
- The phrase 'non-profit' means _____.
 - do not take money
 - pay a lot of money
 - just sell goods
 - healthy
- Which of the following is not true?
 - People want to improve their community.
 - People hate helping others.
 - People like helping others.
 - People donate many things.
